my Journey

WANT THE LATEST INFORMATION ABOUT **YOUR** BREAST CANCER DIAGNOSIS?

My Journey online tool features the most up-to-date, reliable information tailored to your own diagnosis, treatment and care.

Developed with health professionals, it features information for those diagnosed with DCIS, early and metastatic breast cancer. The tool includes articles, videos and podcasts and the information can be accessed from anywhere via your mobile, tablet or laptop.

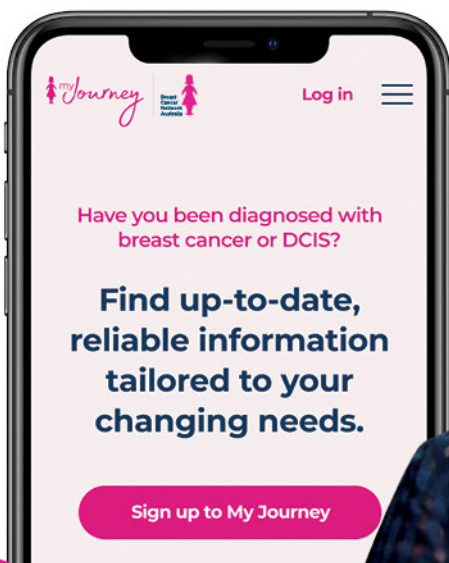

HOW BREAST CANCER NETWORK AUSTRALIA CAN SUPPORT YOU

BCNA exists to ensure every person diagnosed with breast cancer has access to the best information, treatment and care. We have been supporting Australians with breast cancer for over 20 years. All our services are **FREE**.

- **Helpline** – call **1800 500 258** – staffed by experienced cancer nurses
- **My Care Kit** – free post-surgery kit that includes a Berlei bra
- **Printed resources** including *My Journey Early Breast Cancer Guide*, *Hope & Hurdles* and *DCIS Booklet*
- **Online Network** – connect with others who understand what you are going through

To access these resources and services go to **bcna.org.au**
