my Journey

WANT THE LATEST INFORMATION ABOUT **YOUR** BREAST CANCER DIAGNOSIS?

My Journey features the most up-to-date, reliable information tailored to your own diagnosis, treatment and care.

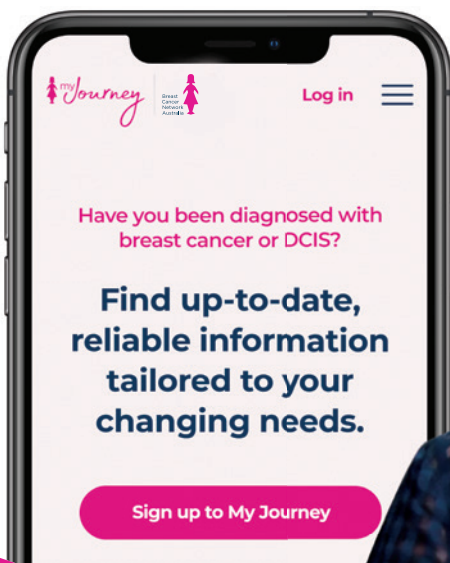

Developed with health professionals, it features information for those diagnosed with DCIS, early and metastatic breast cancer. My Journey includes articles, videos and podcasts and the information can be accessed from anywhere via your mobile, tablet or laptop.

HOW BREAST CANCER NETWORK AUSTRALIA (BCNA) CAN SUPPORT YOU

BCNA exists to ensure all Australians affected by breast cancer receive the very best care, treatment and support. We have been supporting people with breast cancer for over 20 years. All our services are **FREE**.

- **Helpline** – call **1800 500 258**
- **My Care Kit** – free post-surgery kit that includes a Berlei bra
- **Online network** – connect with others who understand what you are going through
